Permit F-06-015
Quebecor World, Inc.
Source I.D. 21-239-00005

Quebecor World, Inc. has applied to the Kentucky Division for Air Quality for a renewal permit to operate a commercial book printing and binding facility at 100 U.S. Bypass 60, Versailles, KY. This plant is classified as a Conditional Major source due to its having potential emissions of regulated air pollutants and hazardous air pollutants greater than a major source threshold. This permit contains practically enforceable limitations to restrict this source's potential emissions to less than a major source threshold.

An electronic copy of the draft permit should shortly become available at <http://www.air.ky.gov/permitting/>. Copies of the draft permit and relevant supporting information are available for inspection by the public during normal business hours at the following locations: Division for Air Quality, 803 Schenkel Lane, Frankfort, KY 40601; Division for Air Quality Frankfort Regional Office, 643 Teton Trail, Suite B, Frankfort, KY 40601; and the Woodford County Clerk's Office, 103 South Main Street, Suite 120, Versailles, KY 40383. The Division is soliciting comments on the draft permit and affording the opportunity for a public hearing. To be considered, any written comments or requests for a public hearing must be postmarked within 30 days following the date of this notice. Comments and/or public hearing requests should be sent to Mr. James Morse at the above Schenkel Lane address. Any person who requests a public hearing must state the issues to be raised at the hearing. If the Division finds that a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, a hearing will be announced. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Mr. Rick Shewekah at (502) 573-3382 or email at Rick.Shewekah@ky.gov.
